at Community Congregational Church, Tiburon CA  
December 31, 2019

(Doors open at 7:00 - Please be there by 7:30 when we begin)

\$20 at the door

Join with me in creating a new way to usher in the New Year with chanting, (singing easy affirmational chants), meditation, some time for reflection of what you are letting go of in 2019, what you want to bring in for 2020, and making sweet connections with like-minded people. We will count down to the New Year in an intentional way and celebrate with those in the Eastern Time Zone (9:00 PST = Midnight Eastern time). We will be complete by 9:30pm so that you will be able to attend any other parties to count down the West Coast New Year as well!
