

# **From My Heart To Your Heart**

words & music: Karen Drucker

Chorus: From my heart to your heart, I give you my love.  
From my heart to your heart, I give you my love.  
From my heart to your heart, I give you my love.  
From my heart to your heart, I give you my love.

1. When I look into your eyes, I see your light.  
Your spirit, your essence, shining so bright.  
You give your love to everyone and now I give it back to you.  
Receive it, believe it, when I say to you...

Chorus

2. When you look into my eyes you see my light,  
My spirit, my essence, shining so bright.  
I give my love to everyone and now you give it back to me.  
I'll receive it, believe it, when you say to me...

Chorus
