Happy, Healthy, Wealthy And Wise

Words & Music: John Hoy

I am happy, healthy, wealthy, and wise.

Happy, healthy, wealthy and wise,

And I know the light, the light of love is shining in my eyes.

I am happy, healthy, wealthy and wise.

A little birdie told me that life is so sweet.

As I listen to her song, I know I am complete.

I have all the keys to love, joy and peace.

The power is infinite and love will increase.

I am happy, healthy, wealthy and wise.

Happy, healthy, wealthy, and wise,

And I know the light, the light of love is shining in my eyes.

I am happy, healthy, wealthy, and wise.
