

## What people are saying about Karen:

“You don't sing words, Karen, you sing love.”

### Conferences:

#### Participant from a conference:

“My vision is for there to be a time when the event planners will finally get it that **it is the music we come for**. I wait patiently between the speakers and, yes, good ideas and inspirational thoughts are given and received, but oh my goodness, it is **the music that leads me into the depths of experience that give the words a context of meaning and importance.**”

#### Philip Parks Director Special Events Centers for Spiritual Living

"It is a rare treat to run into someone who embodies an immense musical gift combined with the detailed organizational skills to pull off sustained and brilliant success over a one week or two week event. She **brings the best of the creative and business worlds together** to make sweet music."

#### Vivian Komori The Woman's Summit Conference

"As soon as the date and venue were in place for our conference, the first call I made was to Karen Drucker. I wanted **someone who could manage the energy and bring it to a higher level....all day**. She did exactly that. She was pivotal to the feel of the day and delivered more than we expected.

#### Karen Thomas, Events Director, Mile Hi Church

"Karen Drucker's music is the thread that weaves each activity together. Her music touches everyone present and comes from the heart and soul. Her music is inspiring and uplifting. She is a joy to work with. **She is able to "read" the energy of the room and create on the spot what will work in the moment.**"

#### M.A. Bjarkman The ConferenceWorks!

"I could go on forever about the countless benefits you bring to a workshop with your spirit, music and presence. You have the **ability to move people deeply through your music and message.**"

#### Lisa Gordon, CEO Healing Touch Program

“Karen Drucker was a keynote speaker at our National Conference. She was the highlight of the conference with an amazing ability to connect with the audience personally and move people into a state of happiness. **By involving audience members interactively and personally, she created a sense of intimacy and connection.**

#### Ruth Buczynski, PhD President NICABM

Not only was she a pleasure for our team to work with, her presence made a huge difference for everyone at the conference. She lifted people's spirits, and helped to get the

energy up at the beginning of the general sessions. **Having Karen at the conference was one of our best investments!**"

**Jim Bronson: Director Kara Conference - Grief Support**

"You gave us a tremendous day by providing profound opportunities to not only learn about healing after a tragedy or loss, but also to **experience healing through your music, your spontaneous heart-felt words and your lighthearted humor and energy.**

**New Thought Churches:**

**Diane Caesar - Unity of Houston Women's Retreat**

"We were blessed to have Karen facilitate our Women's Retreat. Her beautiful music and fabulous energy created a dynamic field of celebration, sacredness and joy. Karen is a **gifted spiritual leader and her music takes you right to your heart with laughter and love.**"

**Rev Michelle Medrano Mile Hi Church Denver**

"There is ALWAYS magic in a space that includes the music of Karen Drucker. Yet, I **discovered the inspiration, light and literal sizzle that is in the space when Karen Drucker sings AND gives the talk.** It was DOUBLE magic!!

**Rev Sue Baggatt Christ Church Unity Springfield MO**

"I knew that her concert would be awesome by virtue of the fact that we LOVE her music! What surprised me the most was her Sunday morning talk. She was **funny, deep, connected, real and authentic.** What an extraordinary entertainer whose delivery on everything she does is straight from the heart!"

**Terri Brewer: Unity Spiritual Center Westlake**

Karen Drucker retreats are magical. Karen is the master **of taking strangers and transforming them into sisters.**

**What Bestselling Authors say about Karen's work.**

**Jean Houston**

I so enjoyed your magnificent art and presentation. **You are the number one performance professional in my book.** The way you related to the audience, high and low comedy joined to compassion was mythic. Truly you are superb.

**Joan Borysenko PhD**

"Karen Drucker is really a gem. She is not only an incredibly talented musician; she has the remarkable ability to know what to say or what to sing to move an audience to laughter or tears. Karen is **easy to work with at every level - responsive, responsible, bright and delightful.**"

**Rachel Naomi Remen MD**

Karen Drucker is a hugely gifted singer-songwriter and performer. She has the ability to use her music as a gateway to open hearts and allow people to connect, laugh, and heal in a way that words cannot. She **creates an experience with her music that heals people and allows connection among strangers.** Come prepared to experience a rare wholeness both personally and professionally.

**Mary Mannin Morrissey**

"Imagine a musical presenter that has the **skill and the talent to know just when and how to bring the perfect musical piece to bring home a point, motivate a decision, and renew the spirit.** I've had the honor and privilege of seeing Karen Drucker bring these gifts and more to every event. She is magical."

**Alan Cohen**

"Bottom line: Karen Drucker rocks. As a long-time speaker and seminar leader, I have worked with many musicians. Karen shines far above the masses. She is **talented, ultra-present, funny, and an extraordinary team player. Hire her.**"

**Donna Eden**

You that you are a Mother of the soul. You are kind and beautiful and want to give love to just everyone. I am blessed to know you and share the stage with you!

**Oriah Mountain Dreamer**

"Karen Drucker's generous spirit and enormous talent bring **music that moves to the center of who we are to any gathering.**"

**Candace Pert PhD**

As a scientist, I speak and write about the power of music to vibrate and tune every cell of our body. Karen goes beyond being a great musician and songwriter: Karen Drucker **lives where science meets spirit,** where complex ideas are articulated in a most compelling way, and **where laughter and joy are the keys to the alchemy of transformation.**

**Shakti Gawain, Author "Creative Visualization"**

"Karen's music and lyrics are **invaluable in deepening** one's experience of practicing meditation and **using affirmations.**"
